

The film also features Vidharth and Lakshmi Manchu in supporting roles. This is a remake of the Hindi film Tumhari Sulu (2017). The film is about. The plot of the film revolves around two sisters, because of which there is a lot of trouble. But at the end of the story they will still be happy. There is practically no dialogue in the film, as the film is shot in Punjabi format. This is the spoken language in India, so without knowledge of Hindi, this film will be difficult to watch. But fortunately, this does not interfere with understanding what is happening on the screen. And the film itself consists of monologues and dialogues. There is also in the picture. There are also many in the film. There is also a love line in the film.
