

November 5, 2012 - A project for a make-up artist. make-up - Yana Koptyakova hairstyle - Anton Chaplygin style - Uliana Tomshina models - Nastya K., Dasha F., Anya D.

_____ This time I decided to do not only makeup, but also hair. Christina acted as a model. I've done her makeup before and I really like it. Now I decided to do her hair. But before I started styling, I decided that she would definitely need lipstick. And since I am a makeup artist in the past, I also wanted to take a makeup artist with me. This time, Yana acted as a make-up artist for the event that I held. And I was very happy about it.
