We always appreciate your feedback. Many thanks! Being a huge fan of the many good apps in the Windows Store, I was a bit surprised when I couldn't find a good app to take the time and trouble to transfer all my favorite apps to my new iPad Pro. That's when I found Shortcut - my new favorite app to transfer all my apps to my iPad. When you launch Shortcut for the first time, you'll be asked if you'd like to take a note of your favorite apps. When you save your favorite apps, you'll be able to create a shortcut that will enable you to launch them with ease. It's very easy to add a shortcut to apps that you use the most - just drag your app and drop it in the Shortcut bar. The Shortcut app works
